offering 21<sup>st</sup> Century Educational Tools  
for success in our Global Society

We are truly excited by our recognition as one of the top 5,000 STEM high schools in the United States (number 2220) and we intend to continue our goal to provide a strong curriculum that will arm our students for success in the 21<sup>st</sup> century global society.

Educational tools such as our Anatomage Table, Augmented Reality Sand Table, MakerBot 3D Replicators and classroom sets of the TI-Nspire Graphing Calculators are substantial pieces in providing our students with challenging practical and applicable knowledge and skills for their higher education and career plans.
