

## Summer Work for Students Entering Geometry and Algebra 2 (Honors and Regular for both)

Optional: Enroll in the Khan Academy class SFCA Summer 2021 Algebra 1 Review and complete the quizzes and tests. The link to enroll is: <https://www.khanacademy.org/join/22Q768QC>

These quizzes and tests will give you an idea of your readiness for Geometry and Algebra 2. If you do not do well on a particular assessment, we recommend that you review that topic on Khan Academy.

Everyone in the honors courses will take an exam in the first few days of school to ensure that you are prepared to do well in the course. We recommend that you wait until late July or early August to review so that the topics will be fresher on your mind.
